- **Multimedia Production:** Execution of high-fidelity video content using **Adobe Premiere Pro** and **After Effects**, focusing on narrative pacing and visual storytelling.
- **Growth Strategy & SEO:** Implementing advanced **YouTube SEO** (Keyword Research, Metadata Optimization, and A/B Testing thumbnails) to maximize organic reach and CTR.
- **Content Lifecycle Management:** Leading the entire process from conceptualization and scriptwriting to sound design and final publication.
- **Audience Analytics:** Utilizing **YouTube Studio** to interpret viewer behavior, optimizing audience retention and engagement rates.
- **Strategic Planning:** Devised data-driven content scheduling frameworks and collaborated cross-functionally with creators, designers, and analytics teams to consistently boost subscriber acquisition.
- **Scale & Reach:** Successfully grew a primary channel to **260,000+ subscribers** and surpassed **50 million total views** through organic growth strategies.
- **Monetization & Portfolio:** Established and scaled **3 fully monetized channels** across diverse niches (Educational, Personal Brand, and **AI**), maintaining consistent revenue streams and high production standards.
- **Brand Authority:** Built a loyal community of followers, consistently achieving retention rates above the 4**0th percentile** for long-form content.

Web Designer

Microgenesis Corporation **March 2025 - December 2025 (10 months), United States**

- **UI/UX Strategy:** Conceptualized and engineered a fully **responsive website from** the ground up, ensuring seamless performance across all devices and browsers.
- **Stakeholder Management:** Collaborated directly with **executive leadership to** define site architecture, user flows, and visual identity aligned with the business model.
- **Performance Design:** Integrated advanced **CTA (Call to Action)** strategies and dynamic sections designed to accelerate lead generation and user journey efficiency.
- **Visual Engineering:** Applied modern design principles to create a dynamic and attractive interface that reflects the company's authority in the US market.
- **Strategic Implementation:** Successfully launched a multi-page digital platform that synchronized the company's marketing plan with technical execution, resulting in a more cohesive brand narrative.
- **Conversion Optimization:** Re-engineered the site's navigation and landing pages, focusing on user retention and reducing friction in the conversion funnel.
- **Executive Delivery:** Delivered a high-stakes project under the direct supervision of the **C-Suite**, meeting 100% of technical requirements and business objectives within the 10-month timeline.

Senior Graphic Designer & Digital Media Specialist

Easy Trade Colombia **March 2015 - October 2023 (8 years 8 months), Bogotá D.C., Colombia**

- **Multimedia & Video Production:** Created dynamic visual assets and high-impact video content for marketing campaigns using Adobe Creative Cloud to significantly boost social media engagement.
- **Marketplace Optimization:** Designed and structured high-converting visual content for **Amazon and Mercado Libre**, applying visual communication strategies to differentiate the brand in a competitive landscape.
- **Branding Strategy:** Directed the end-to-end branding strategy for 2 major business lines, delivering a 30-page corporate identity system that unified 100% of digital touchpoints. This reduced design-to-production turnaround time by 20% for marketing and sales teams.
- **E-commerce Design:** Engineered interfaces and promotional banners optimized under **UI/UX principles** to reduce friction in the user journey and purchasing process.
- **Conversion Rate Growth:** Executed an iterative **A/B testing roadmap** on product imagery and layout design, achieving a **0.3% conversion rate lift**. This strategic optimization translated into an estimated **27% in annual incremental revenue** for the marketplace channel.
- **Process Standardization:** Standardized creative workflows for a multidisciplinary team, introducing a **KPI-driven framework** that improved project delivery efficiency by **15%** and allowed the C-Suite to track design ROI for the first time in company history.
- **Digital Evolution:** Led the total transformation of the company's **visual presence**, resulting in a modern identity that facilitated brand expansion **into new** digital channels over an 8-year tenure.

Graphic Designer & Ecommerce Manager

LCS Colombia **February 2013 - January 2015 (2 years), Colombia**

- **E-commerce Orchestration:** Managed full-cycle operations for **web-based stores** and marketplaces (Mercado Libre), optimizing product **listings through** data-driven visual communication.
